

REMARKS

This supplemental preliminary amendment is filed to round out the scope of coverage sought by applicant and to which applicant is believed to be entitled. New claims 32-54 submitted herewith are similar in scope to pending claim 8, and are believed to define subject matter which is patentable over the prior art of record. Issuance of a notice of allowance is respectfully requested.

Respectfully submitted,

Andrew S. McConnell (Reg. No. 32,272)
